By Train

From the Hamburg Central Railway Station to European ScreeningPort by Subway (S-Bahn)

For most inter-Germany and inter-European trains, you will have the option of disembarking at Hamburg Central Station (Hauptbahnhof) or Hamburg Dammtor, which is the stop immediately after Hamburg Central Station (disembarkation point within Hamburg will not affect your fare).

Whether you arrive at the Central Station or at Dammtor Station, take the S-Bahn S21 in the direction Pinneberg or Elbgastrasse. The train runs every 10 minutes.

Get off at the Eidelstedt station. Exit to the left at the bottom of the stairs from the platform. When you emerge from the station, you will be at the Schnackenburgallee (which runs under the rail tracks). Continue along Schnackenburgallee southbound on the left side. Schnackenburgallee 114 is located on the left side and is approximately 1 km (0.6 mile). The walk takes approximately 15-20 minutes.
